

## PRODUCTS

- Triplex Plunger Pump
- Heavy Duty Process Pump
- Hydro Test Pump
- High Pressure Car Washer
- Surface Cleaning Pump
- Descaling Chemicals Supply

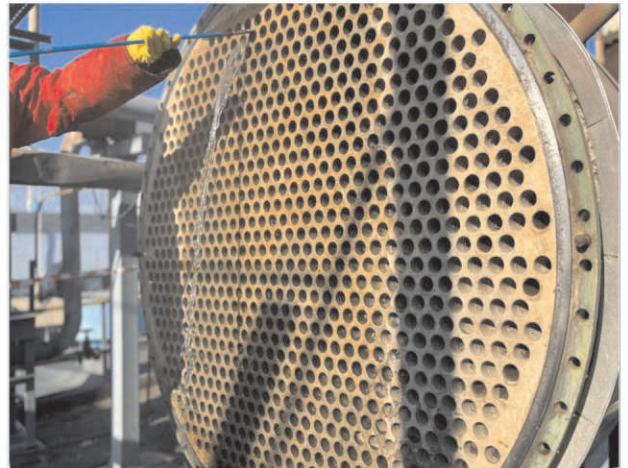

**Quality Product  
with Fast Delivery  
and Best Service**

## About Us

We always believe in change which is the only thing that is constant. With this concept we have always aim with new designs & developments for the benefit of our customers. We are well-known company of manufacturing & supply of Water Jet Machine, High Pressure Car washer, Hydro Test Pump, Triplex Plunger Pump **HAWK** Hydro Jetting. These products are extremely admired in the market owing to reliability and timely completion. These services are accomplished within given time frame. Moreover, we render these products at nominal prices. With world class latest technology & items, we assure best quality, low maintenance, proper assembly, prevent maintenance, noise & water infiltrations and provide safety against unauthorized entry from outside & have provision for saving water and power with min. manpower use.

**We Are Having More Than 10 Years Manufacturing Experience**

## QUALITY ASSUARANCE

Our progress in the industry is based on our well establish management systems. We ensure that we stick to the top quality standards right from the initials stage of testing raw materials to final stage of delivery of our products. Understanding the customers priority for quality assurance while developing products and strategic planning to execute it is a central .

**Here are the Some features and advantage of the systems to look out for :**

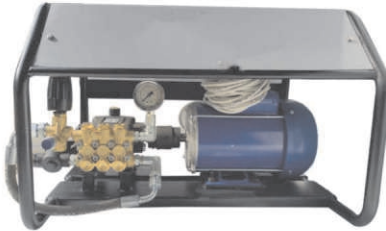

- Ceramic Plunger Pump- Hawk Make, Italy
- Latest Technology Based Cleaning Accessories
- Easy To Operate And Service
- Long Life Of Wear & Tear Part
- Faster Than Any Other Cleaning Method
- Variety Of Design, Colors And Mounting Options
- Tested Quality Parameter For Mounting Design, Sound & Noise, coupling Etc.

## Why Us ?

- We are known for our After sale service and support.
- Customisation available
- Can fabricate as per user requirement
- Pumps heads available in different MOC like Brass, SS 304, SS 316
- Fast Delivery
- 24 X 7 on call support

## INDUSTRIAL WATER JETTING SYSTEMS

### MODEL SELECTION

Model	Pressure	Flowrate	Mounting	Motor
NHD 1415R	150 Bar	14 lpm	Trolley Mounted	Shp/Three Phase
NPM 1525R	200 Bar	15 lpm	Trolley Mounted	7.5hp/Three Phase
NPM 1525R	250 Bar	15 lpm	Trolley Mounted	10hp/Three Phase
NMT 2120R	180 Bar	21 lpm	Trolley Mounted	10hp/Three Phase
NMT 2120R	200 Bar	21 lpm	Trolley Mounted	12.5hp/Three Phase
NLT 3020R	200 Bar	30 lpm	Trolley Mounted	15hp/Three Phase
XLT 4017R	150 Bar	40 lpm	Trolley Mounted	15hp/Three Phase
XLT 5015R	150 Bar	50 lpm	Trolley Mounted	20hp/Three Phase
XXT 7015R	150 Bar	70 lpm	Trolley Mounted	30hp/Three Phase

**Industry Where We Supplying :**  
 Chemical | Pharma | Distillery | Sugar Textile  
 Mills Cement | Power Plant | Paper Mills  
 Paint | Automobile | Oil & Petro Chemical  
 Biomass | Surface (Floor & Roof) | Marine &  
 Offshore Constructions | Food & Beverages  
 Confectionery | Engineering | Dairy Plant, Etc.

## HYDRO JETTING MACHINE

### MODEL SELECTION

Model	Pressure	Flowrate	Mounting	Motor
ATHARV 350/17	350 Bar	17 lpm	Trolley Mounted	15hp/Three Phase
ATHARV 500/15	500 Bar	15 lpm	Trolley Mounted	20hp/Three Phase
ATHARV 500/21	500 Bar	21 lpm	Trolley Mounted	30hp/Three Phase
ATHARV 500/30	500 Bar	30 lpm	Trolley Mounted	40hp/Three Phase

### MODEL SELECTION

PUMP MODEL	PRESSURE(BAR)	FLOW (LPM)	POWER (HP)	SPM
ATHARV 1200	1200	40	150	530
ATHARV 1000	1000	40	120	530
ATHARV 750	750	35	75	530
ATHARV 750/62	750	60	120	530
ATHARV 1000/15	1000	15	40	530

## HYDRO TEST PUMP

### MODEL SELECTION

Model	Pressure	Flowrate	Mounting	Motor
ATHARV 120/11	120 Bar	11 lpm	Frame Mounted Or Trolley Mounted	3hp/Three Phase
ATHARV 150/11	150 Bar	11 lpm	Frame Mounted Or Trolley Mounted	5hp/Three Phase
ATHARV 200/15	200 Bar	15 lpm	Frame Mounted Or Trolley Mounted	7.5hp/Three Phase
ATHARV 250/15	180 Bar	15 lpm	Frame Mounted Or Trolley Mounted	10hp/Three Phase
ATHARV 200/21	200 Bar	21 lpm	Frame Mounted Or Trolley Mounted	10hp/Three Phase
ATHARV 200/21	200 Bar	21 lpm	Frame Mounted Or Trolley Mounted	10hp/Three Phase
ATHARV 200/30	150 Bar	30 lpm	Frame Mounted Or Trolley Mounted	15hp/Three Phase
ATHARV 150/40	150 Bar	40 lpm	Frame Mounted Or Trolley Mounted	15hp/Three Phase
ATHARV 150/50	150 Bar	50 lpm	Frame Mounted Or Trolley Mounted	20hp/Three Phase
ATHARV 150/70	150 Bar	70 lpm	Frame Mounted Or Trolley Mounted	30hp/Three Phase
ATHARV 150/100	150 Bar	100 lpm	Frame Mounted Or Trolley Mounted	40hp/Three Phase

### UNLOADER & SAFETY VALVE

### ESSENTIAL ACCESSORIES

Pressure Regulating Valve | Safety Valve  
 High Pressure Rubber Hose | Pressure Gauge  
 Low Pressure Suction Hose | Low Pressure By Pass  
 Hose | Foot Operated valve | Flexible Jetting Lance  
 Conventional Tube Cleaning

### APPLICATION

- Heat exchanger Tube Cleaning
- Boiler Tube Cleaning
- Condenser Tube Cleaning
- Evaporator Tube Cleaning
- Calandria Tube Cleaning
- Pipe Cleaning

## HEAVY DUTY CAR WASHING PUMPS

### MODEL SELECTION

Model	Pressure	Flowrate	Mounting	Motor
ATHARV 150/1 PH	150 bar	8.5 lpm	Wall Mount Or Trolley Mounted	3hp / Single Phase
ATHARV120/3 PH	120 bar	11 lpm	Wall Mount Or Trolley Mounted	3hp / Three Phase
ATHARV 150/3 PH	150 bar	11 lpm	Wall Mount Or Trolley Mounted	5hp / Three Phase
ATHARV 200/3 PH	200 bar	15 lpm	Wall Mount Or Trolley Mounted	7.5hp / Three Phase

## Car Wash System

Unloader Valve

Nozzle

Strainer

Foamer

Trigger Gun- QRC

Underbody Lance

Rotating Underbody Lance

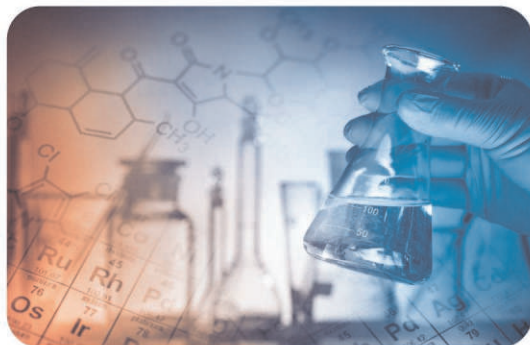

Cover Body Lance

## DESCALING CHEMICALS

Descaling is the most efficient method that will remove inorganic foulant deposits from Process Lines & Equipment's. These chemicals will resolve problems like Scale Formations and Corrosion.

### List of Descaling Chemicals that we supply includes

- Boiler Descaling Chemical
- Condenser Descaling Chemical
- Chiller Descaling Chemical
- AHU Cleaning Chemical
- Cooling Tower Chemical
- Heat Exchanger Descaling Chemical
- Resin Descaling Chemical
- Other Descaling Chemical for Scaling related problems.

### Applications

MEE Plants | ETP Plants | SRP Plants | R.O Plants

### WATER TREATMENT CHEMICALS

#### A) BOILER Treatment Chemicals

The Boiler Treatment Chemicals will protect your boilers from various problems like Corrosion in Pipe Lines, Scale Problems & Intermittent Shutdowns.

#### Our few Chemical lists below

- Anti-Scalent | Oxygen Scavenger
- PH Booster | Sludge Conditioners
- Alkaliser | Other Boiler Startup Chemicals

#### B) COOLING TOWER Treatment Chemicals

These Chemicals are used for preventing problems like Corrosion, Scale Deposition & Microbial Growth in Cooling Towers.

#### Our Chemical Lists Below

- Anti - Scalent Compound | Anti-Corrosive Compound
- De - Foamer Compound | Sludge Conditioner
- Oxidising Biocide | Chemical Digester
- Alkaliser | Corrosive Inhibitors

# HEAVY DUTY HIGH PRESSURE HYDRO JETTING & BLASTING MACHINE

## HYDRO JETTING SERVICES

Descaling is a specific application of high pressure JET Cleaning, Involves removing scale buildup from surface such as pipes, tanks, boilers, and industrial equipment. Scale buildup occurs when minerals in water precipitate and adhere to surface over time leading to decreased efficiency and potential damage. High pressure jet cleaning effectively removes scales, restoring optimal functionality to equipment and improving overall performance without damaging the parent material.

## ENGINEERING WORKS

Industrial processing equipment covers an extensive range of products and components that serve crucial purposes in various downstream manufacturing sectors.

Advancements in modern technology have resulted in the development of cutting-edge industrial processing equipment that is employed in various industrial sectors, including oil and gas, mining, Pharma manufacturing, etc., The use of this equipment can significantly impact the speed, quality, and volume of production levels, ultimately affecting the profitability of a plant.

So, we are here to all your Industrial Engineering works like manufacturing and supply of Process Equipment's.

### Our Process Products lists below

Repair, Maintenance & Re-tubing of Heat Exchangers Surface Condensers Tubeside & Shellside | Pressure Vessels Storage Tanks | Heat Exchangers | Reaction Vessels Condensers Filtration Vessels | Re-boilers | Condensers | Calendria's | Pre-Heaters | Analyzer Columns | Distillation Columns | All types of Structural & Piping Works

## INDUSTRIAL MARKETS SERVED

We look forward to service your needs.
